

TGI Network

TGI Network of Rhode Island Monthly Newsletter June 2018

Dear Friends,

Summer is here and TGI Network is busy as always. We are eager to lead the RI Pride Illuminated Night Parade this year as one of Pride's Honorary Marshals. It is a great honor to be celebrated as an organization that is working on behalf of transgender, gender-diverse, and intersex Rhode Islanders. At the same time, we are committed to expanding the work that we do to better meet the needs of our community. Each pride season is, for us, an opportunity to recommit to the fight for intersectional equity for all people.

In April, we launched our Community Input Survey, which gave community members an opportunity to share feedback about the work that we are doing and the gaps that exist in the services we provide. Though we are grateful for the encouragement and praise we received, we are also thoughtful about the critical feedback that will push us towards more inclusive, comprehensive programming. We want you to know that we are listening. Stay tuned next month for a report on the goals that TGI Network has set as a result of your feedback and our reflection. And, as we pursue our goals, please continue to connect and weigh in. When we hear from you, we are better able to serve your needs.

Please join us later this month for our annual picnic at Colt State Park! We'll be cooking out and enjoying yard games at sites 17, 18, and 19 on June 23rd. This event is always a great time for community members, family, and friends to come together. If you are looking for a chance to connect with other local community members, the picnic is the perfect opportunity. We hope to see you there!

With pride!
Ethan Huckel
Board President

HONORARY MARSHALS

Join us as we march in the RI
Pride Illuminated Night
Parade on June 16th!
